

Left Foot Organics Growing Partners 2011 Off and Running!! Planted and Sprouted!!!

Left Foot Organics is excited to announce the hiring of five youth from rural families in south Thurston County. The Growing Partners come from Rainier, Rochester and Insight High Schools.

The GPs spent their first day in New Employee Orientation with the real life responsibilities of W-4 and I-9 forms and the completion of a job skills survey. For all 5 youth, this is their first "real" job! We are anxious to help them grow their employment skills.

After a day of working with a local 4-H volunteer group the Growing Partners are now focusing on running the May 7 annual plant sale at LFO, learning marketing and customer service skills. Why don't you come and see them in action, 10am-3pm?

Thank you for your support!
