

Sponsors of the Left Foot 4th Annual *Fun Farm Formal Dinner and Auction*

Saturday Oct. 17, 5:30pm at South Puget Sound Community College

Do you want to live in a community where people with intellectual and developmental disabilities have a chance to do meaningful work that makes their lives better? Where youth at risk can learn respect for all people, for the land, and the values that guide us? Well, you do!

Thurston County is the home of *Left Foot Organics*. Our mission is to promote self sufficiency, inclusion and independence for people with intellectual disabilities and mentor youth at risk. We do it by providing paying jobs and training in the business of growing and selling quality organic vegetables and flowers.

Thank you for helping us grow good food.....and people!
